

Enjoy your time on the lake!

Cedar Point Boat and Motor Rules

- Watercraft must be at the dock $\frac{1}{2}$ hour before dark and may not be out before sun-rise.
- Please check in with lodge for instructions on how to run the equipment prior to going out.
- You must be at least 21 years old to operate Cedar Point boats & motors and pontoons. Persons 18-20 may operate our motors/pontoons only with parental supervision in the craft.
- Please clean out any garbage at the end of your trip.
- Follow all life jacket requirements (Additionally, legally, a throw cushion must stay all of our boats because they are at least 16 feet)
- Follow all person and weight legal limits posted on every watercraft.
- If docking in more shallow areas, tilt up the motor so it doesn't run in the mud and plug (Water doesn't cycle through the motor and major damage may occur).
- You are responsible for any damage.
